

Online Resources

National Association for Gifted Children – A well-respected organization with good information. Publishes “Gifted Child Quarterly” – a respected and recommended journal on GT kids

<http://www.nagc.org/>

Colorado Association for Gifted and Talented – a local GT organization, sponsors local conferences and is a good source of more local information

<http://www.coloradogifted.org/>

Hoagie’s Gifted Education Page – for families and educators – I’m still exploring this one, comes highly recommended in several of my favorite books.

<http://www.hoagiesgifted.org/>

GT World – Support community for GT families – I’m still exploring this one too, comes highly recommended in several of my favorite books.

<http://gtworld.org/>

Publishers

Prufrock Press – one of the best publishers of GT information. Publishes “Gifted Child Today” – a respected and recommended journal on GT kids

<http://www.prufrock.com/>

Free Spirit Publishing – another publisher of good GT information

<http://www.freespirit.com/>

Open Space Communications – a local organization and publisher of GT material – I’m still exploring it, but it comes recommended by several peers

<http://www.openspacecomm.com/>
